The MBA has a total of 36 credits with 8 Core/Required courses and 6 Elective courses. The 6 Electives can build 2 Concentrations or 1 Concentration and 3 Electives across areas of business that align with students' personal career aspirations.[1]

MBA Core/Required Courses Include:

- Financial and Managerial Accounting
- Financial Decision Making
- Operations Analytics
- Employee Engagement and Performance
- Responsible Leadership: Aligning the Interests of Stakeholders, Profit and planet
- Information Systems for Managers
- Marketing Management Fundamentals
- Managing Organizational Strategy

MBA Concentration Options Include:

- Accounting
- Business Analytics
- Data Analytics
- Entrepreneurship
- Finance
- HR Management
- Management
- Management Information Systems (MIS)
- Marketing
- Organizational Leadership
- Supply Chain and Logistical Systems
- Sustainable Business

Master of Science in Finance (MSF)

Available 100% online with accelerated courses available.

The MSF has a total of 30 credits with 10 courses[2]:

- Advanced Financial Planning
- Financial Institutions Management
- Quantitative Methods in Finance
- Investment Analysis and Portfolio Management
- Financial Decision Making
- Financial Statement Analysis
- Fixed Income Securities
- Financial Modeling
- Multinational Financial Management
- Derivative Securities & Fin. Risk Management

Certificate of Graduate Study (COGS) and Certificate of Advanced Graduate Study (CAGS)

COGS are ideal for exploring graduate-level course work and can be applied to an MBA in the future. They are helpful for students who do not qualify for a GMAT waiver. A COGS is a valuable standalone credential for supporting the next phase your career. Similarly, CAGS help MBA graduates stay relevant and fresh in a rapidly changing job market.

Certificates of Graduate Study (COGS):

- Accounting
- Business
- Management Information Systems
- Data Analytics
- and many more to explore!

Certificates of Advanced Graduate Study (CAGS):

- Accounting
- Finance
- Management
- Management Information Systems
- Marketing

[1] Additional Foundation Courses may be required; determined at point of admissions or in pre-admissions advising.
