

Graduate Programs Guide for Searching Course Options in Section Tally

The Rowan Section Tally is organized by term and includes all Rowan course offerings. This tool allows you to check courses offered by term, spaces available in courses, as well as course descriptions and prerequisites.

Noted below are some helpful suggestions MBA, MSF, and Certificate students can use to find courses most appropriate for their programs of study.

Access Section Tally and Choose Semester of Interest:

- Visit https://banner.rowan.edu/reports/reports.pl?task=Section_Tally
- Choose semester of interest
- Click "Continue"

Limit Search Filters to Only Graduate Level MBA, MSF, and COGS Business Courses:

- College: College of Business *and/or* College: Schl Innov & Entrepreneurship
 - All available MBA core/required classes will be under "College of Business"
 - The following course types will be under "Schl Innov & Entrepreneurship"
