Bachelor of Science in Supply Chain & Logistics

Supply chain management and logistics are vital business functions for value creation as they ensure the delivery of products and services in the best way possible. The program provides a strong foundation in logistical functions and the intricacies of supply chain operations, and trains students to identify and analyze supply chain solutions for practical scenarios. Through applied coursework, team-based projects, case studies, and real-world experience, students gain the skills to make smart decisions critical to supply chain success.

Rowan Core: 9 s.h.

All first-time Freshmen must complete the Rowan University Core Literacies. There are six literacies:

- Communicative Literacy (COML) - 9 s.h. Satisfied by taking the following three courses:
 - COMP 01111 College Composition I
 - COMP 01112 College Composition II
 - CMS 04205 Public Speaking or CMS 04206 Digital Presentations
- Artistic Literacy (ARTL)
- Global Literacy (GLBL)
- Humanistic Literacy (HUML)
- Quantitative Literacy (QNTL)
- Scientific Literacy (SCIL)

Majors may suggest courses to fulfill the above literacies, which will be applied elsewhere.

A complete listing of courses that fulfill the above literacies can be found here [Undergraduate Program Requirements](#).

Rowan Experience

Students must satisfy all three Rowan Experience attributes. Credits attached to the courses in this section will apply elsewhere.

The attributes are as follows:

- Broad-Based Literature Attribute (LIT)
- Writing Intensive Attribute (WI)
- Rowan Seminar Attribute* (RS)

Departments may recommend courses to fulfill these attributes. A complete listing of courses that satisfy these attributes can be found at [Undergraduate Program Requirements](#).

*The Rowan Seminar requirement is waived for all students transferring 24 or more approved credits into Rowan University at the time of initial entry.
