

CENTER FOR INNOVATION & ENTREPRENEURSHIP

Rowan's Entrepreneurial Ecosystem At-A-Glance

Hello South Jersey Entrepreneurship Community,

The Rowan Center for Innovation and Entrepreneurship had a busy 2018 and we are excited to share the release of our [2018 Annual Report](#). 2018 was a whirlwind that included dozens of speaker events, competitions, and student funding opportunities, many of which are highlighted.

As we look to 2019, the momentum continues to build. Our students are working on amazing startups ranging from first responder drone technology to retail food and beverage. We expect to launch some new awards and scholarship opportunities as well as to ramp up the seed funding opportunities available to students. If you have not already, I encourage you to engage with us on our online community [StartupTree](#) where you can find all of our upcoming events, competitions and mentorship opportunities.

Thank you for your time and I look forward to seeing you at some of our upcoming events.

Best,
Eric
