

Graduate Programs Guide for Searching Course Options in Section Tally

The Rowan Section Tally is organized by term and includes all Rowan course offerings. This tool allows you to check courses offered by term and spaces available in courses.

The below noted steps are some hints for MBA, MS, and Certificate students to find courses most appropriate for their programs of study.

Visit the Section Tally:

https://banner.rowan.edu/reports/reports.pl?task=Section_Tally

Limit to only graduate level (MBA, MS, and COGS) business courses:

- College: BA – College of Business
- Attribute: GRAD – Graduate Lvl crses 500 and up

Limit to specific Delivery Types

- Campus: Select “Main” for F2F in Glassboro
- Campus: Select “Online” for Fully Online
- Campus: Select “Rowan College at Burlington Co” for Hybrid

Use check box to “Display only”:

- Sections with space available
- Sections with no pre-reqs, co-reqs, or other restrictions (note that Foundation courses will not be recognized so you need to keep track of that)

Prerequisites & Restrictions:

- By clicking on the highlighted CRN number in the Tally and then clicking on the name of the course title found at the top of the page under “Sections Found,” you can view any prerequisites and/or restrictions that may apply before you can enroll in the desired course.
- Notice: Foundation course requirements (pre-reqs) will not be noted here, so check the Tentative MBA Schedule, a recent MBA worksheet draft, or the Course Sequence Advising Form.
