WHO ARE WE?

Northeast New Jersey Legal Services is a non-profit corporation supported with both public and private funds providing free legal services to low-income, senior and disabled residents of Bergen, Hudson, and Passaic Counties in a variety of legal matters including federal income tax controversies, public benefits, housing, family, health care, employment, consumer, and immigration. We provide a broad array of legal services, including legal representation in court and at hearings, advocacy, legal advice and community legal education.

Our attorneys, paralegals and support staff are dedicated to providing the highest quality legal services. We seek to assure that access to the judicial system is not denied to individuals within our service areas simply because they cannot afford a private attorney.

The LITC and its employees and volunteers are not affiliated with the IRS. A taxpayer's decision to use the LITC will not affect the taxpayer's rights before the IRS.

We speak Spanish and can arrange for translators to assist clients in many other languages.
